Editor's Note

It's Fantastic Friday and I'm sure you have been in the Carnival mood since Christmas even started.

Here at BECU we are wrapping things up with our Carnival—Your Way loan and we take this opportunity to thank Trevor Wallace and Associates as well as dHR Mas Band for partnering with us throughout the Carnival Season.

In this issue we share some tips from the TTPS on keeping safe this Carnival and also we are pleased to announce that we are on the road to going cashless.

From all of us here at BECU we wish you a safe and enjoyable Carnival regardless of what you decide to spend it doing.

LINX MACHINE INSTALLED IN THE MEMBER SERVICES CENTRE

It is finally here!

Our members have been asking about it and the question of it was raised during our 29th Annual General Meeting.

Bank Employees' Credit Union is pleased to announce that we are now accepting payments via card.

The road to 'cashless'

For the convenience of our members and the purpose of security we requested linx machines and on Thursday they were delivered and immediately put to use.

As of today you can make your payments over the counter using your debit card.

MSR Monifa Karamoko-Farrell conducted the first Linx transaction
